Highly Qualified Stage Managers available to provide assistance with a wide range of jobs in during this Global Crisis

The Stage Managers' Association of the United States represents over 1,000 members, of which nearly 500 are professional stage managers with management skills, emergency training and experience, coordination, plus excellent writing and communication skills. In this time of global crisis, many of our members jobs; which primarily rely on live entertainment and event are on haitus, and our membership is seeking additional opportunities.

For this reason, the Stage Managers' Association is opening our free job posting service to businesses, campaigns, and employers (part of the entertainment industry or not) who are seeking this kind of highly trained work force. Most if not all of these strong communicators have access to and are highly skilled in technology and are seeking opportunities to use those skills for a wide range of employment at this time.

To post a job free-of-charge directly to nearly 500 highly qualified professionals in the stage management industry, use this link
